Hyderabad, Telangana , India

## OBJECTIVE

Aspiring IT professional with a Bachelor's degree in Computer Science and Engineering, seeking to leverage my skills in Java, SQL, HTML, CSS, and JavaScript to contribute to innovative projects in the IT industry. Eager to apply my technical expertise and problem-solving abilities in a dynamic environment to drive growth and enhance technological solutions.

## EDUCATION

- **TKR College Of Engineering and Technology** June 2019 - July 2023  
*B.Tech: Computer Science and Engineering*  
◦ GPA: 7.85/10 Hyderabad
- **Narayana Junior College** June 2017 - March 2019  
*Intermediate: MPC*  
◦ Grade: 9.42/10 Hyderabad
- **Vasavi High School** June 2016-March 2017  
*SSC*  
◦ GPA: 9.0/10 Nirmal

## PROJECTS

- **Pavement Crack and Pothole Detection using Deep Learning methods** 2023
  - Using Deep Learning techniques as CNN.
  - The Objective of the pavement crack detection techniques can accurately identify and extract cracks in pavement images with complex backgrounds. In this project, we are generating the code using Python language.
  - Object detection using deep learning was recently well-known over the year.
- **Flip cart** 2024
  - I have developed a Flipkart clone project using React for the front-end logic, with HTML and CSS for structuring and styling the interface. The project involved replicating key features of the Flipkart platform, such as product listings, search functionality, and a responsive user interface.
- **CURD Web Application** 2024
  - CURD Web Application is used to Post,Put, Get and Delete the Data, in this application mainly i used the skills Spring Boot,Jdbc,java and for database i used SQL,postman.
- **Bank Web Application,Student Application, calculator, My Personal Portfolio website.** 2024

## SKILLS

- **Programming Languages:** OOPS ,Java ,JavaScript
- **Web Technologies:** HTML,CSS
- **Frameworks:** React,Spring boot
- **Database Systems:** SQL
- **Version Control:** Git,GitHub
- **Soft Skills:** Communication Skills,Self-motivation, Quick adaptability,Teamwork,Always aim for perfection.

## CERTIFICATIONS

- **Certificate of completion in Nestle E-Learning 2024 | Sustainability** 2021
- **National Level Online Python Challenge Contest**

## ADDITIONAL INFORMATION

**Languages:** English,Hindi,Telugu

**Interests:** Playing Cricket, Gardening, Listening Music.
